Silicone Coated Flextra® Cloth Style RL8043

Custom Fabricated Products, LLC Silicone Coated Flextra® Non-Metallic Cloth Style RL8043 combines the high performance characteristics of Silicone Rubber and exclusive Flextra® cloths. This Flextra® coated cloth is designed for various applications such as cut gaskets, splash shields, welding blankets, tadpole tape jackets, and numerous industrial applications. This product has excellent resistance to ozone, sunlight, and weathering. It has an outstanding resistance to high heat with excellent flexibility at low temperatures while retaining superior color stability. Also, RL8043 has indefinite shelf life when stored at room temperature.
